1 At the April 25, 2008 status conference, the Court ordered the parties to file motions in
2 the above cases on May 23, 2008 with a hearing date seven weeks later, on July 11, 2008.
3 Pursuant to Civil Local Rule 6-2, the parties agree, subject to the Court's approval, that the time
4 for filing of motions be extended by one week, from May 23, 2008, to and including May 30,
5 2008. Other dates for the filing of an opposition and a reply brief would be unaffected. This is
6 because Civil Local Rule 7-3(a) and (c) fix the dates for the filing of an opposition and a reply
7 based on the hearing date. The current schedule requires the filing of motions on or before May
8 23, 2008; the filing of oppositions 21 days before the July 11 hearing which is June 20; the filing
9 of replies 14 days before the July 11 hearing which is June 27. If the one week extension is
10 granted, the only date changed is the date for the initial filing of motions.

11 The reason the United States requested the Liquidators to agree to a one week extension
12 is two-fold. The undersigned AUSA, who was out of the office on business from June 9 through
13 June 13, was unaware that AUSA Axelrod would be out-of the country on business from May 17
14 to May 25, and unavailable during that time. In addition, the undersigned AUSA needs more
15 time to have the opportunity to coordinate with a Department of Justice component in
